Subject: 2017 AAPM Funding Opportunities "Updated Information"

Dear Program Director,

The 2017 AAPM funding opportunities deadlines are fast approaching. Note that a new opportunity has been added. Please distribute this information to prospective candidates.

***NEW* Meeting Funding Opportunity for AAPM Student, Resident and Junior Members**

Best Medical/AAPM Travel Fellowship: Best Medical and the American Association of Physicists in Medicine (AAPM) are pleased to announce the availability of a Travel Fellowship for Student, Resident and Junior Members of the AAPM. The fellowship will provide funding to attend the 2017 AAPM Annual Meeting & Exhibition, July 30 - August 3 in Denver, Colorado. Best Medical will provide five (5) fellowships in the amount of one thousand dollars (\$1,000) each. AAPM will provide complimentary Annual Meeting registration for each recipient, including social functions.

The application deadline is 5/22/2017

[Apply for the Best Medical/AAPM Travel Fellowship](#)

2017 Research Seed Funding Grant: Three \$25,000 grants will be awarded to provide funds to develop exciting investigator-initiated concepts, which will hopefully lead to successful longer term project funding from the NIH or equivalent funding sources. Funding for grant recipients will begin on July 1 of the award year. Research results will be submitted for presentation at future AAPM meetings. The award is not intended to provide salary support for the applicant, however any other research-related expenses, including travel to scientific meetings, will be supported. Travel expense should be included in the submitted budget. At the end of the 12-month period a report must be forwarded to the AAPM, along with itemized expenses. The award will not support indirect costs. Any unspent funds should be returned to AAPM.

Application Deadline: April 5, 2017 ****DEADLINE Extended to 4/28/2017****

AAPM Graduate Fellowship: The fellowship is awarded for the first two years of graduate study leading to a doctoral degree in Medical Physics (Ph.D. or DMP). Both BSc. and MS holders are eligible to apply. A stipend of \$13,000 per year, plus tuition support not exceeding \$5,000 per year is assigned to the recipient. The amount of tuition support granted will be at the discretion of AAPM. The award will be paid to the recipient's institution and distributed in accordance with the institution's disbursement procedures. It is AAPM's policy that none of the funds may be diverted to the institution's "facilities", "administrative", or other overhead categories and the full \$13,000 stipend must be provided to the recipient.

Application Deadline: April 28, 2017

Apply today at gaf.aapm.org

Feel free to contact me if you need further assistance.
